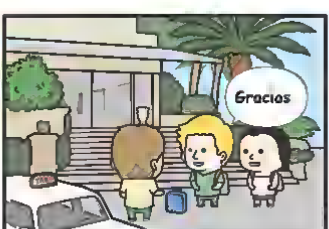
So it seemed that
my belly had gone crazy
as I'd been eating too much food
for a short time.

Unlike the UK's chilly weather,
Majorca was very hot and sunny.



I was very excited about this holiday.

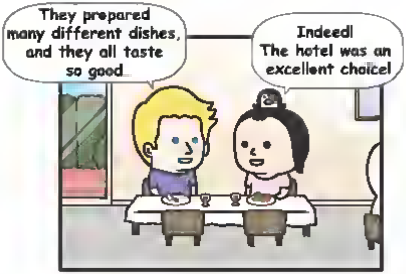
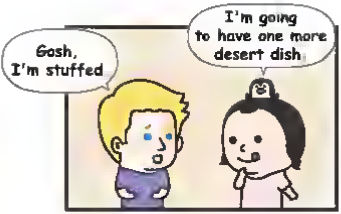
Don't Let Your Guard Down.

Last week,
we went on a vacation for a week.

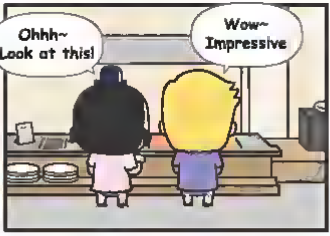


And that made our bellies so happy.

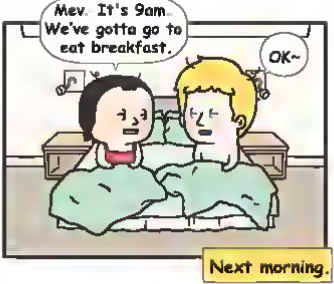


But,...

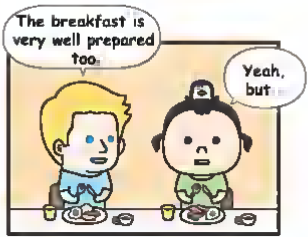
It was all inclusive holiday!!



Every meal was amazing



Mev. It's 9am. We've gotta go to eat breakfast.
OK~
Next morning.



The breakfast is very well prepared too.

Oops
Oh my god
Penguin.

(Bing!)
